

# ignite ASEAN Curriculum and Learning Outcomes

19 January – 26 February 2021 | every Tuesday and Friday, 1000 till 1200 (GMT+8)

## Unleashing Your Potential

*Leadership Mindsets and Behaviours*

Cultivating the soft-skills and behaviours to hone personal effectiveness and fulfil potential. Inspiring new approaches to leading self, teamwork and collaboration.

### WEEK 1

SESSION  
1

#### The Power of Purpose and Engagement

- Aligning personal and professional purpose
- KCE model: how knowledge, communication and empathy improve stakeholder management

SESSION  
2

#### Growth Mindsets and Personal Energy

- Key elements of a growth mindset; how to cultivate this trait in oneself and others
- Personal energy as a key factor in leadership and teamwork

### WEEK 2

SESSION  
3

#### Driving High Performance and Outcomes

- GIFT's proprietary leadership toolkit
- Supercharging teams and outcome-driven meetings

SESSION  
4

#### Purpose Shapes Mindset and Behaviour

- Moderated panel discussion featuring perspectives from cross-industry leaders

## Global and Regional Awareness

*Leadership in a Changing World*

Developing a broad worldview and connecting-the-dots back to one's organisation and role. Promoting critical and contextual thinking about drivers of change.

### WEEK 3

SESSION  
5

#### ASEAN in the 21st Century

- Examining trends, opportunities and challenges shaping ASEAN and what these mean for aspiring leaders

SESSION  
6

#### Reshaping Capitalism

- Embedding sustainability into leadership thinking, policymaking and existing/new business models

### WEEK 4

SESSION  
7

#### The Sustainable State

- Exploring the regulators' role in promoting sustainable development and ensuring shared prosperity and national wellbeing

SESSION  
8

#### Leading in Transformational Times

- Keynote speaker on the essential skills required to lead in a changing world

## Redesigning Society

*Creating Value for Yourself, the Organisation and Society*

In the wake of the pandemic, exploring the new models for building safe and secure societies. Knowledge, skills and awareness required for cross-sector collaboration.

### WEEK 5

SESSION  
9

#### Innovations Beyond Digital

- Applying GIFT's Innovation Framework to guide the co-creation of new strategies, products and services

SESSION  
10

#### The Evolving Role of Business in Society

- How collaborative, purpose-driven businesses create social value alongside shareholder returns

### WEEK 6

SESSION  
11

#### Civil Society's Growing Role and Influence

- Why aspiring leaders cannot afford to ignore civil society, and the skills needed to build partnerships for mutual benefit

SESSION  
12

#### Wrap Up and Reflections

- Reflecting on key learnings and making personal commitments to growth
